MEMORANDUM FOR THE RECORD

SUBJECT: Telephone Conversation with James Bush of HPSCI on 10 May 1978,  
1700 Hours [redacted]

1. [redacted] Mr. Bush initiated the telephone call and stated that he would like to visit the Agency on Friday, 12 May 1978, beginning at 0830 in the morning to be given a briefing on the Operations Center. He wanted to understand the kinds of people that were working in the Operations Center, what they do, and how they do it. He added that this investigation related to the subsequent formal hearings they would be having with [redacted] and [redacted] regarding the Tasking Center at F Street. Mr. Bush wanted to focus on how the Agency Watch Center people interface with the Community. He stated that he could spend only two hours (0830 - 1030) and would have to leave CIA at 1100 at the latest.

2. [redacted] He also requested that we alert the receptionist to have his badge ready for entrance to the building.

3. [redacted] Chief of the Intelligence Group, [redacted] has been alerted to this requirement and is already in touch with [redacted]

[redacted]  
Acting Comptroller
